

IAFSM Advertising

The IAFSM Board of Directors' policy to sell advertising in the IAFSM News was adopted as a means of increasing Association revenue and to make readers aware of the services that those advertising have to offer. IAFSM News has a circulation of 600 members, mostly local officials and consultants, and 75 "VIPs" – legislators and state and federal agencies.

For \$100, a business card size ad will appear in the IAFSM Membership Directory and in all issues of the newsletter for one year. For \$200, an ad twice the size of a business card will be published. The ads will be placed throughout the newsletter, not relegated to a single page. To advertise in the IAFSM News, submit this form to: Sarah Harbaugh, IAFSM, 35W749 Bluff Drive, St. Charles, IL 60175.

For more information contact Sarah Harbaugh at (630) 443-8145.
