### Call for Speakers

We are looking for presentations that address floodplain and stormwater management issues from a broad range of topics. We invite speakers from the private and public sectors who can present information on floodplain and stormwater management topics such as:

Advances in hydrologic and hydraulic modeling	Outreach and education programs
Conservation design	Research in the field of water resources or floodplain management
Dam management and safety	Stormwater master planning
Emerging Regulations (state and federal)	Stormwater utilities
Flood proofing/acquisition programs	Stormwater and flood management case studies
Innovative best management practices (BMPs)	Stream maintenance & restoration
Legal Issues	Sustainability
Levees	Water quality protection and improvement
Local flood response	Watershed planning
Local regulatory program development and enforcement	Wetlands
Map Modernization	
Mitigation Planning	

### Abstract Submission

If you are interested in presenting, send an email message with the following information (please provide the requested information in the email body with no special formatting and no attachments):

1. Name (*as you would like it to appear in program including any professional certifications*)
2. Affiliation
3. Address
4. Telephone and Fax Numbers
5. Email
6. Have you presented at IAFSM before? If so, is this presentation related to your previous presentation?
7. Would you be willing to allow IAFSM to make your presentation available on the IAFSM website one month after the conference concludes?
8. Topic (*please select a topic or topics from the above list that are applicable to your presentation, or suggest a unique topic*)
9. Presentation title and maximum 300 word summary/abstract
10. Maximum 200 word bio

All rooms will be equipped with computers, projectors and microphones. Please indicate if you have any other audio-visual needs. Speakers are not being asked to prepare a paper for this conference, however, speakers will be asked to submit their final presentation by Friday, March 6. The presentation will be preloaded on the computers at the conference. With the speaker's approval, we will make the presentation available on the IAFSM website one month after the conference. All attendees including speakers are expected to pay the conference registration fee.

**Please email your information by Friday, October 31, 2008 (Boo!) to Jeff Wickenkamp, Conference Chair**

E-mail: [jwickenkamp@heyassoc.com](mailto:jwickenkamp@heyassoc.com)

Those submitting presentation summaries will be notified of their acceptance by Dec. 3, 2008.

### **Exhibitors**

Exhibitor registration forms will be available soon. If you are an IAFSM member, you will receive the exhibitor registration by email when it becomes available. If you are not a member and wish to ensure that you receive a form, please email [IAFSM@sbcglobal.net](mailto:IAFSM@sbcglobal.net) and indicate that you are interested in exhibiting at the 2009 conference. Exhibitor registration fees will be \$375, which includes one conference registration. Exhibits will be on display *on Wednesday only*. All breaks and the evening social hour will be in or adjacent to the exhibit area.

### **Logistics**

The conference will be held on March 11-12, 2009, at the I-Hotel and Conference Center 1802 South First Street, Champaign, IL 61820.
