

2010 IAFSM Annual Conference Exhibitor Registration

March 10-11, 2010, Holiday Inn, Tinley Park, Illinois

You are invited to exhibit during the IAFSM's Annual Conference. Speakers from federal, state, regional, and local agencies and the private sector will share their knowledge on current programs and the latest techniques. The conference provides both an excellent training forum and an opportunity to meet and talk with other floodplain and stormwater management professionals. Over the last few years, our conference has brought up to 400+ participants and 25 exhibitors. We will repeat our proven approach to encourage visitors to the exhibits. Registrants will receive an exhibitor's card. If each private exhibitor signs the card, the registrant will be eligible for the door prize drawing. The door prizes will be drawn and announced at the luncheon on Thursday.

The registration fee for exhibitors is \$375 for a six-foot space, an additional \$15 if an extension cord is needed. This includes registration for the conference for one person and includes that individuals IAFSM yearly membership. If you require more than a six foot space you will need to include an additional \$375 exhibitor fee which includes an additional attendee registration. You will receive conference packets and name tags. IF REQUESTED we will provide a table and two chairs. Or you may set up your own backdrop and display. Indicate your request at the bottom of the form.

Exhibits need to be set up before registration on Wednesday morning and taken down after the social hour on Wednesday evening. Setup time will be 7:00 – 8:00 a.m., Wednesday, March 10. The social hour will be 5:30 – 7:30 p.m. Wednesday evening. *Note: Please stay set up until the social hour is over.* Based on facility availability (to be determined at a later date), an additional setup window may become available on Tuesday evening.

The Illinois Association for Floodplain and Stormwater Management (IAFSM) and the Holiday Inn assume no responsibility or liability for damage, loss, or destruction to exhibitor's property or injury to exhibitor's employees or representatives. IAFSM may require modification of any display, amplifying equipment or music, which it considers unsuitable to or not in keeping with the character of the exhibit or conference. Other requirements of the Holiday shall apply. The registration fee is due with the application to exhibit. Please use the form provided below. The cancellation deadline is February 26, 2010.
