Illinois Association for
Floodplain and Stormwater Management

HEC-HMS & RAS "User's Group" Workshop

The Illinois Association for Floodplain and Stormwater Management (IAFSM) is pleased to host a 1/2 day Workshop Seminar during which a number of special topics in HEC-HMS and HEC-RAS modeling will be discussed. Several speakers from both the public and private sectors will discuss how advanced features of the two models were applied to particular field conditions in Illinois watersheds. The workshop will consist of approximately 20-25 minutes presentations of each special topic, with a 5 minute question and answer follow-up, similar to the conference sessions. Computers will not be provided and are not required. Planned seminar highlights include:

- ◆ Lateral Weir applications
- ◆ Outlet Structures
- ◆ Troubleshooting unsteady flow
- ◆ The FEMA perspective
- ◆ Levees

Each attendee will receive a certificate for 3.5 PDHs/2.5 CECs as part of the workshop. For more information, please contact Erik Gil at egil@cbbel.com or at (847) 823-0500. *Registration deadline is March 1, 2010.* No refunds will be given after the registration deadline unless the workshop is cancelled, in which case the registration fee will be refunded in full. IAFSM reserves the right to cancel the seminar. IAFSM is not responsible for non-refundable expenses such as airfare, hotels, or any other expenses associated with a cancellation.

Date: March 9, 2010
 Time: Registration, 12:45p-1p
 Presentations, 1 pm-5:30 pm (snack is provided during a mid-afternoon break)
