

2013 IAFSM Annual Conference Exhibitor Registration Information

**March 6-7, 2013,
Marriott Bloomington-Normal Hotel & Conference Center**

You are invited to exhibit during the IAFSM's Annual Conference. Speakers from federal, state, regional, and local agencies and the private sector will share their knowledge on current programs and the latest techniques. The conference provides both an excellent training forum and an opportunity to meet and talk with other floodplain and stormwater management professionals. Over the last few years, our conference has brought up to 500+ participants and 25 exhibitors. We will repeat our proven approach to encourage visitors to the exhibits. Registrants will receive an exhibitor's card. If each private exhibitor signs the card, the registrant will be eligible for the door prize drawing. Signatures are collected from the exhibitors during the conference on Wednesday and during the social hour that evening. We collect over 200 fully executed exhibitor cards each year. The door prizes will be drawn and announced on Thursday.

The registration fee for exhibitors is \$500 for an eight-foot by eight-foot space. This includes registration for the conference for one person and includes that individual's IAFSM yearly membership. If you require more than an eight foot space you will need to include an additional \$500 exhibitor fee which includes an additional attendee registration. You will receive conference packets and name tags.

Exhibits need to be set up before registration on Wednesday morning and taken down after the social hour on Wednesday evening. Setup time will be 5:30-9:00 pm on Tuesday, March 5 and 7:00-8:00 a.m., Wednesday, March 6. The social hour will be 5:30-7:00 p.m. Wednesday evening. *Note: Please stay set up until the social hour is over.*

The Illinois Association for Floodplain and Stormwater Management (IAFSM) and the Marriott Bloomington-Normal Hotel & Conference Center assume no responsibility or liability for damage, loss, or destruction to exhibitor's property or injury to exhibitor's employees or representatives. IAFSM may require modification of any display, amplifying equipment or music, which it considers unsuitable to or not in keeping with the character of the exhibit or conference. The cancellation deadline is February 25, 2013.
