

Local Official Scholarships For the 2018 ASFPM Conference

June 17-21, 2018
Phoenix Convention Center
Phoenix, AZ

If you've been wanting to attend the world's largest and most comprehensive floodplain management conference, here's your chance to stretch your training and travel funds by taking advantage of a scholarship to attend the Association of State Floodplain Managers annual conference. IAFSM is sponsoring four basic registrations to the ASFPM conference for Illinois Local officials. The conference is a wonderful way to share experiences and ideas with other floodplain management professionals and it allows CFMs to get CEC credits. Please note that no travel or hotel expenses are included with this scholarship.

Priority consideration-

1. IAFSM members only. Membership required prior to application submittal.
2. Scholarships are only available to local officials.
3. In your request please make note if you have previously presented at an IAFSM conference or are planning to present at ASFPM, if you are a new floodplain manager, a first-time attendee to the ASFPM conference, or have previously received a scholarship for conference attendance from IAFSM.

Request deadline for letters of application is April 2, 2018. The recipients will be notified with instructions to submit early bird registration forms by April 6, 2018. Please note Early Bird Registration Deadline for the conference is April 17, 2018.

Send a digital copy of a letter detailing your interest in receiving this scholarship, how you would benefit from the scholarship, your local official position, understanding of the requirements and any applicable information that might provide you with priority consideration to
