

State and Local Official Scholarships to attend the IAFSM conference

Come see what the IAFSM annual conference is about!

March 10 and 11, 2021

This year's annual conference has gone virtual, and will be held online.

Stretch your training funds by taking advantage of the Illinois Association's State and Local Officials Scholarship to attend the Illinois Association for Floodplain and Stormwater Management annual conference. The conference is a wonderful way to share experiences and ideas with other floodplain management professionals and also allows CFMs to get CEC credits. The scholarship includes registration fees, and as this year's conference is online, that should be all you need to cover attendance! No travel, lodging, or per diem required!

Requirements-

1. Priority given to first time conference attendees.
2. IAFSM members only. (You must register as a member before you are considered eligible for the scholarship. Annual Membership Fee is \$25.00)
3. You must be a state, county, or local government official.

Details-

- IAFSM will pay registration fees.
- Scholarship recipients are expected to attend online conference sessions.
- Scholarship recipients must be willing to volunteer if requested.
- Requests should be on official state, county, or city letterhead.
- Request deadline is February 10, 2021.

There are a limited number of scholarships available. Please send a letter detailing your interest in receiving this scholarship, your official position, along with any applicable information that you feel might provide you with priority consideration to
