Most of the documents listed here are available for free. Those available for download from websites are noted. Those with a “.pdf” extension require Adobe Acrobat Reader, which is free software available from www.adobe.com/products/acrobat/readermain.html.

Order a **FEMA** publication by:

- Downloading from FEMA’s website. Many of the publications have a direct site listed. These can change over time so www.FEMA.gov should be searched if a FEMA publication’s link does not work.
- Calling 800-480-2520
- Faxing an order to 301-394-0084.

Order a **Community Rating System** publication by:

- Downloading from the CRS website resource center at <http://training.FEMA.gov/emiweb/crs>
- Calling 317-848-2898
- E-mailing an order to NFIPCRS@iso.com

The noted **U.S. Army Corps of Engineers** floodproofing publications can be found on the following website: www.usace.army.mil/inet/functions/cw/cecwp/NFPC/nfpc.htm. Hard copies can be ordered from the Corps’ Tulsa District office, which is the national repository for floodplain management publications:
