

# NFIP 101 Workshop

Hosted by DuPage County Stormwater Management, the Illinois Department of Natural Resources and the Illinois Association for Floodplain and Stormwater Management

**Wednesday September 18<sup>th</sup>, 2019**

DuPage County Administration Building 421, Room 3-500B,  
421 N. County Farm Road, Wheaton, IL

- Registration is open until 5pm on Friday, September 13, 2019.
- Space is limited. Sign up early.
- Follow the link to complete your registration.
- <https://www.illinoisfloods.org/event/3/13/fall-2019-nfip-101-seminar>
- Contact Sarah Harbaugh at [iafsm@illinoisfloods.org](mailto:iafsm@illinoisfloods.org) or 630-443-8145 with questions.

This course is designed for both stormwater and floodplain administrators as well as future and current Certified Floodplain Managers (CFMs). The session will cover floodplain management concepts, basic FEMA mapping, including V-Zones, map changes, State of Illinois floodway regulations, state and local floodplain permit requirements, flood insurance, CRS, and mitigation. Course instructors will be floodplain management and permitting staff from IDNR/OWR, mapping staff from ISWS, and NFIP specialists from FEMA.

During the last hour, course instructors (and current CFMs) will be available to answer questions related to the CFM Exam.

## **Workshop Outline:**

Flooding and Floodplain Management  
Floodplain Mapping and Mapping Changes  
Floodplain and Floodway Regulations  
Substantial Damage and Substantial Improvement and Post-Flood Response  
Ordinance Administration  
Flood Insurance Updates  
Flood Mitigation and CRS

**Cost: \$15 including Coffee, Breakfast (Bagels, Donuts Muffins), and Box Lunch**

**Time: 9:00 am - 4:00 pm (Registration at 8:30)**

**PDHs and CFM CECs TBD**
